John, Thanks.

Barbara Kindig's group is working with the Arboretum on the approval/contract for this temporary event parking.

Best,

Mike

Subject: White Rock Lake Interim Event Parking Plan

Mike,

I want to thank you and your team for joining us at Winfrey Point to discuss plans for the White Rock Lake Interim Event Parking Plan. Your recommendations were most helpful. We have attempted to include them in the attached Interim Plan. Please advise me of any additional comments

The Dallas Arboretum is working on an operational plan and hopes to have the parking available prior to the beginning of the Chihuly Exhibit on April 5. The plan would be tested during the peak weeks of Dallas Blooms. Please provide the Arboretum information on any permitting process needed to enable them to move forward with the interim parking plan.

John
